

Versatile, energy efficient heating and cooling solutions for domestic and small commercial applications

**Retail Price List**

1st April 2023 | Domestic and Commercial Products

# Caspian® Fan Convectors now redesigned to boost heat output by

# 20%\*

Caspian fan convectors are particularly well suited to all kinds of commercial applications, from schools and churches to office developments, with the ability to rapidly heat large areas quickly with much greater efficiency than other heat emitters.

Available with Smart controls integrating the most commonly sought control features into a single unit. From basic room temperature control to a range of time controlling features. Can be used as standalone units or with multiple units integrated, and controlled by app. An especially useful feature when managing building services remotely.

- Compatible with most types of wet central heating systems, functioning equally efficiently with conventional boilers, biomass technology or heat pumps
- LST versions available
- 5 year warranty as standard
- Available with Smart control to further improve efficiency and flexibility, with remote monitoring and control via an app
- Available with Anti-bacterial paint finish
- Designed and manufactured in UK for short lead times

\* Average increase across Caspian product range

# Why Choose Smith's?

**If you require energy efficiency and versatility in your heating and cooling, the Smith's range is the ideal solution.**

Since 1991, Smith's EP UK has been manufacturing and providing an extensive range of commercial and domestic heating and cooling solutions from our head office in the UK. Part of the global family-owned US-based business, the Swan Group, Smith's works closely with architects, consultants, heating contractors and installers to deliver, via our stockist network, high quality products with industry-leading warranties on time, with an aftercare and technical support service that is second to none.

We take an active, innovative approach to new product development and creating bespoke heating products to fulfil the creative requirements of a competitive and demanding customer base that spans the UK, Northern Europe and the US. We believe it is essential to be flexible in our partnerships, while remaining uncompromising on the high quality and care that goes into every product in our range. Smith's is an outward-looking, growing business and we are forging relationships with like-minded manufacturers across Europe to ensure that we can provide additional new and essential heating and cooling solutions in areas where we do not specialise and where our partners excel.

Our latest price list showcases our principal commercial and domestic products. At the same time, we have the ability and the will to work alongside clients at any point in the construction process, and collaborate to develop specific solutions for any and every need. We take great pride and go to great lengths to leave our customers not only satisfied but coming back again and again for solutions that are perfect for your project, each and every time.

## General Information

### Stockists

All products are available nationally from Builders' Merchants, Plumbers' Merchants, Heating Equipment Distributors and Kitchen Equipment Distributors.

In the event of difficulty, please contact us on 01245 324900 or visit our website [www.SmithsEP.co.uk](http://www.SmithsEP.co.uk) or email us at [sales@smithsep.co.uk](mailto:sales@smithsep.co.uk) for details of your nearest stockist. For the Republic of Ireland, contact MT Agencies on 01 864 3363.

### Retail Prices

Your local stockist(s) (see above) will normally offer a discount on the retail prices shown in this brochure.

### Delivery

We have categorised each product to give an indication of availability. Products marked A are available from stock and can be dispatched the same day if the order is received before Midday.

For other categories the products will be made to order and dispatched either on or before the number of working days shown. In all cases we will endeavour to meet your or your customer's requirements. Delivery timescales will vary depending on size of order and destination.

### Special Requirements

We offer a bespoke service, ranging from changes in colour, supplying with accessories factory-fitted, to a full product design service, to meet your exact requirements. Dispatch dates and prices will be advised at the time of order.

### Guarantee

All products and accessories are covered by a free parts and labour guarantee\* providing they have been installed and used in accordance with the Installation and User Guide.

### Amendments

Prices are subject to alteration without prior notice and will be confirmed at the time of order.
