Caspian Skyline® E

Education | Healthcare | Leisure and sport | Office | Hospitality | Retail | Industrial

The electric Skyline fits neatly into existing ceiling space - replacing a 600mm x 600mm ceiling tile and because it is ceiling mounted, it saves valuable wall space - particularly important in retail units

- It is unobtrusive and effective
- This high output fan convector effectively heats large areas
- Choice of punched steel or egg-crate grille options
- Supplied as standard in white but can be supplied in any colour
- Complete with programmable controller
