

# Air Curtains - S2 Series

Smith's S2 series of electric air curtains are ideal for smaller commercial spaces such as pavilions, small retail outlets, mini markets and pick-up windows

## Features

- These stylish units deliver energy efficient and quiet protection against cold air from outside
- Innovative noise reduction system
- Shock-absorbing dampers to minimise noise
- Stitch-elements ensure fast heating and high temperature difference
- Operation mode without heating for protection against outside heat, dust and insects in summer
- Convenient and aesthetic connection to the terminals inside the housing (3kW model includes a power cord with plug)
- Built-in thermostat protects against overheating

## Applications

- Office
- Hospitality
- Retail
- Showroom
