

Providing comfort for the built environment

Why choose Smith's?

If you require energy efficiency and versatility in your heating and cooling, the Smith's range is the ideal solution

For over twenty-five years, Smith's EP UK has been manufacturing and providing an extensive range of commercial and domestic heating and cooling solutions from our head office in the UK. Part of the global family-owned US-based business, the Swan Group, Smith's works closely with architects, consultants, heating contractors and installers to deliver, via our stockist network, high quality products with industry-leading warranties on time, with an aftercare and technical support service that is second to none.

We take an active, innovative approach to new product development and creating bespoke heating products to fulfil the creative requirements of a competitive and demanding customer base that spans the UK, Northern Europe and the US. We believe it is essential to be flexible in our partnerships, while remaining uncompromising on the high quality and care that goes into every product in our range. Smith's is an outward-looking, growing business and we are forging relationships with like-minded manufacturers across Europe to ensure that we can provide additional new and essential heating and cooling solutions in areas where we do not specialise and where our partners excel.

Our latest price list showcases our principal commercial and domestic products. At the same time, we have the ability and the will to work alongside clients at any point in the construction process, and collaborate to develop specific solutions for any and every need. We take great pride and go to great lengths to leave our customers not only satisfied but coming back again and again for solutions that are perfect for your project, each and every time.

General Information

Stockists

All products are available nationally from Builders' Merchants, Plumbers' Merchants, Heating Equipment Distributors and Kitchen Equipment Distributors.

In the event of difficulty, please contact us on 01245 324900 or visit our website www.SmithsEP.co.uk or email us at sales@smithsep.co.uk for details of your nearest stockist. For the Republic of Ireland, contact MT Agencies on 01 864 3363.

Retail Prices

Your local stockist(s) (see above) will normally offer a discount on the retail prices shown in this brochure.

Delivery

We have categorised each product to give an indication of availability. Products marked A are available from stock and can be despatched the same day if the order is received before 1.00pm.

For other categories the products will be made to order and despatched either on or before the number of working days shown. In all cases we will endeavour to meet your or your customer's requirements. Delivery timescales will vary depending on size of order and destination.

Special Requirements

We offer a bespoke service, ranging from changes in colour, supplying with accessories factory-fitted, to a full product design service, to meet your exact requirements. Despatch dates and prices will be advised at the time of order.

Guarantee

All products and accessories are covered by a free five year parts and labour guarantee* providing they have been installed and used in accordance with the Installation & User Guide.

Amendments

Prices are subject to alteration without prior notice and will be confirmed at the time of order.

* Excluding Air Curtains which are covered by three years and Thermostatic Radiator Valve by two years.
